5 REVIEWS FOR 1000MG 15ML FULL SPECTRUM CBD OIL TINCTURE

Ryan P. - January 27, 2018 ★★★★★

I suffer from muscle cramps in my hands, and it's made playing piano and even just typing on the keyboard pretty hard sometimes. I was a little skeptical about cbd but tried the 500mg tincture. It worked and I wanted something stronger so I got the 1,000mg. It's been perfect and I don't mind the taste at all.

David R. - January 30, 2018 ★★★★★

Really potent stuff! Tastes better than other tinctures I've had.

Rhonda J. - February 11, 2018 ★★★★★

My Husband and I have been using, this CBD tincture for several months now and it really works great for our health needs. Our son has just started using it also with great success. We recommend it to all our friends and family who are in need of help with health issues.

Stephanie R. - February 21, 2018 ★★★★★☆

Just started using this tincture and believe it is helping me.

James L. - March 6, 2018 ★★★★★

As a repeat customer. I have had other people I know try it and swear by it. It has helped me immensely. I just ordered another bottle so I don't want to run out it.
